

“Once Upon a Dream”

*Musical Tribute to
Loretta Lynn and Patsy Cline*

*Starring
Sherrill Douglas*

One Show, One Woman, Two Powerhouses

Loretta and Patsy were best friends in real life. Thus, it only seems natural for Sherrill to offer the ultimate concert which answers the question of what it would have been like “back then” to see Loretta and Patsy TOGETHER, in the same concert, “today”. Sherrill has created this new imaginary concert which portrays these two powerhouses in one concert, one show, by one woman. You will be amazed as she opens the show impersonating Loretta Lynn in the first set. After intermission, she returns and transforms into her portrayal of Patsy Cline.

Sherrill is widely known as the #1 Patsy Cline impersonator in the world. This show has sold out theaters in Illinois, Texas, Iowa and the Showroom at the Nugget Casino in Carson City, Nevada and is a one of a kind offering. It is the only show of its kind which honors and pays tribute to two of country’s most beloved legends...

Don’t miss it!!
