

Sherrill Douglas

Starring in:

"Imagine That with Patsy"

Sherrill Douglas, widely known as the "World's Best Patsy Cline" Impersonator now takes you back in time and returns to the future! Sherrill has a voice so real you'll think it's Patsy! *Imagine*..... what if Patsy hadn't tragically perished in 1963..... *what would* today's songs sound like if Patsy *could* sing them? Sherrill performs classic country, current country and classic rock only as Patsy would perform today. Sherrill performs in authentically duplicated Patsy Cline costume and sings Patsy's favorites but adds a new twist! She sings other artists #1 songs only as Patsy could.....every artist from Connie Francis, Brenda Lee, Tanya Tucker, Tammy Wynette, Loretta Lynn to Cher, Shania Twain , Linda Ronstadt, Dolly Parton, Fleetwood Mac, even Madonna, CCR, Eagles, ZZ Top and much, much more! It *truly is* the "TOP" imaginary concert for your mind.
